Erin is an incredible talent, paving her way through the cycling ranks as a Junior and claiming two World titles on the track at the 2024 UCI Junior Track World Championships.

She won the Madison alongside Carys Lloyd, and the duo teamed up with Cat Ferguson and Imogen Wolff in the Team Pursuit to not only win the title, but also set a new World Record. GB won five of the six available rainbow jerseys in the women's endurance events, confirming that Erin is part of a golden generation.

To kick off 2025, Erin won a clean sweep of seven victories at the Interland 'Next Generation' junior meet in Apeldoorn.

Erin's big break came in 2023, when she was crowned National Youth Omnium Champion, in her first year as a Junior. Erin went on to compete at the 2023 European Youth Olympic Summer Festival in Maribor, where she was chosen to carry the Team GB flag, one of her proudest achievements and came home with a silver medal in the Individual Time Trial, on the road.

Erin has her sights set on the 2026 Commonwealth Games in her home city of Glasgow, and ultimate aim to make it to the Olympics in LA in 2028.
