After success as a junior, Pfeiffer began her senior career as the youngest member of Team Sunweb (now Team Picnic PostNL), a set up renowned for developing young talent. Pfeiffer is an integral member of the team, as road captain and a leader, helping the team to achieve some exceptional results and dominating in the sprints.

Pfeiffer started riding when she was only four. She used to live in Herne Hill, just a couple of minutes away from the world-famous velodrome, often going there with her father, Peter Georgi, who raced internationally. After being spotted as a youngster, she trailblazed through the ranks and at just 17 she won the Senior Track Nationals Madison title.

In 2022 she clinched a silver medal in the U23 Road Race at the World Championships after a very strong performance in a challenging race, and 2023 was when Pfeiffer took her first WorldTour win at Brugge-De Panne, launching an exceptionally timed attack to come away with victory. A couple of months later, she reclaimed the National title, which she won again in 2024.

A career highlight was Paris Roubaix Femmes avec Zwift 2024, where Pfeiffer sprinted to a podium 3rd place, pipping Marianne Vos on the line. Olympic selection followed where Pfeiffer rode into a stunning 5th place in the Paris Road Race.
